# Housekeeping notes

Hi Printmakers,

You would have all received the email asking you to update your banking with our new bank account details. **BSB 066-115 Account Number 1106-9993**. The enforced transition from Bank West to Commonwealth has been time consuming and not as seamless as we wished it to be. We do have our new account up and running, and I would like to thank the account signatories Caroline, Beck and Jo Wood for their patience and diligence. Without them PAWA couldn't bring you any of the great things we do.

We have set the date for our **AGM – Saturday December 2<sup>nd</sup> at 2PM**, it will be held immediately before our **2023 End of Year and Farewell to Tresillian Party at 3PM**.

The party promises to be both poignant and fun as we say goodbye to an era. More details will follow.

We hope for a huge turnout for both the AGM and party, with lots of nominations for committee as we step into what promises to be an exciting future.

In the near future, our **Patron Leon Pericles AM will be hosting a morning tea at his East Perth Studio for PAWA members**. I have no doubt that this will be an informative and exciting morning, with some great art to explore there. The places for this event will be limited by necessity with the opportunity to attend going first to PAWA committee members and those who have 'gone above and beyond' for the Association.

You will receive an email to register for the event and the remaining places will be allocated on a first in first served basis.

Something to look forward to indeed.

We continue discussions with MJAC about possible studio sharing while the heritage works there are completed. I will update you as more information becomes available.

I know there have been some great works by members on display recently.

Please don't forget to send exhibition or workshop flyers for inclusion along with any photos of events you have been part of.

Best wishes

Elizabeth Morrison

President.

Intrinsic beauty in every body.

At the core of our group is a love and appreciation of life drawing. As an artistic practice, life drawing challenges each of us every week to observe and capture the intrinsic beauty of the human form in "real life". This exhibition is a transition out into the wider community giving other people the opportunity to view and appreciate that beauty in ways that they may not have considered nor had access to before—observers to our observed work.
