SKILL SHARE SUNDAY

Our skill share sessions will now be held on a Sunday afternoon from 1pm – 5pm, commencing **APRIL 7.**

We will be discussing and printing for the “Melville Open Studios.
There will be **NO** Skill Share in May as the Melville Open Studios will be on.

HOUSE KEEPING

Hi **Printmakers**,

The new year sees us settled into our **NEW STUDIO**.

Everyone who has been is thrilled with how lovely it is.

Special thanks to James for building the new roller cupboard and Beck for the new store cupboard.

James has installed his screen-printing table which promises to be fun.

Please do not use it unless you have been inducted by James.

All inductions can be organised by emailing admin@pawa.org.au

Our open studio and welcome to Atwell picnic was enjoyed by all who attended.

The weather kept us indoors. We met some new members and printmakers from the Melville Community who have since become members of PAWA.

We did over 12 inductions to the studio and building, so things will be getting busy.

Our next main task is to prepare for **Melville Open Studios on the 4th and 5th of May**.

PAWA members will be invited to have unframed prints for sale. These will need to be on a matt and in a crystalline bag so they can be displayed in tubs.

PAWA will take 10% commission on all sales.

You will receive an email soon asking for expressions of interest and to put your name down if you are available to man the studio or do a demonstration.

Our skill share sessions are beginning again in April.

HOUSE KEEPING

We have booked the Atwell Gallery for a **member's exhibition**.

The opening event will be on the **7th June** and the show will run from the **8th to 21st June**. The title of the exhibition has not yet been decided.

You will receive an email with Terms and Conditions and will be able to register via this.

Our **Gala 50th Anniversary** is still planned for Moores Building Contemporary Art Space. We are booked from **9th November to 24th November 2024**.

PAWA Life member and amazing printmaker **Hilda Klap** will be doing a 5-week residency at the studio commencing **Monday March 11th**.

Hilda will be available on Monday afternoons between **2pm – 5pm** to share her expertise. I am sure it will also be great fun and a fantastic opportunity to get to know some fellow printmakers.

It is intended to be a casual affair, so if you can't make each session don't fret.

There has already been plenty of interest and registrations.

Room will be limited as we will only have use of our studio and a table set up on the veranda weather permitting.

I would remind you that **membership fees are due**.

We have quite a few new members and most of you have re-joined.

There is a membership form on **pages 9 & 10** of this newsletter to make it easy for those of you without email to resubscribe.

As you can see 2024 has started well, we look forward to sharing some great printmaking moments in the months to come.

Warmest regards,

Elizabeth Morrison

President.

It is always an enjoyable day as we learn about printmaking and new friends.

COMPACT PRINTS 2024 Program

[Umbrella Studio Contemporary Arts](https://www.umbrella.org.au/.../compact-prints.../cp-apply/) is now calling for submissions for Compact Prints 2024. Registrations and submissions are now open and close 5pm (AEST) Friday 31 May 2024. Register and submit at <https://www.umbrella.org.au/.../compact-prints.../cp-apply/>

The Compact Prints International Print Exhibition, Auction & Exchange was first held at Umbrella's biennial fundraiser in 2002, conceived and curated by Rebekah Butler. The exhibition welcomed international artists in 2004 and has continued as a biennial exhibition ever since, including a number of national and international tours. The exhibition is greatly appreciated and anticipated by printmaking organisations, artist participants' networks and online. Many of the artists who have previously exchanged artworks now correspond all around the world.

Compact Prints is a celebration of contemporary print practices, embracing traditional and technological methods. The project provides artists with a forum to exchange artwork and ideas. It also provides an opportunity to exhibit in a contemporary art space while supporting Umbrella through its fundraising auction. Artists each submit an edition of 3 identical prints – 1 for the exhibition (and potential tour), 1 for the auction and 1 for an artwork exchange.
